

PUBLIC NOTICE

Canadian Navigable Waters Act

The Atlantic Salmon Federation, on behalf of the Working Group on Smallmouth Bass Eradication in the Miramichi hereby gives notice that a submission has been added to the Navigable Waters Registry pursuant to the *Canadian Navigable Waters Act* for public comment described herein and its site and plans.

Pursuant to paragraph 10(1)(b) of the said Act, the Atlantic Salmon Federation on Behalf of the Working Group on Smallmouth Bass Eradication in the Miramichi has deposited with the Minister of Transport and the on-line Common Project Search Registry (<http://cps.canada.ca>) and under registry number 2021-204544, a description of the following work, its site, and plans:

A temporary fish migration barrier across the Southwest Miramichi River at Slate Island.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section using the above registry number to locate and review the proposed project. If you do not have access to internet, you may send comments directly to:

Neville Crabbe
Atlantic Salmon Federation
P.O. Box 5200
St. Andrews N.B.
E5B 3S8

Note that comments will be considered only if they are received not later than 30-days after the publication of this notice.

Posted at www.miramichismallmouth.com this 14th day of June, 2021

Transport Canada (TC) will not make your comments on a project available to the public on the online registry. However, any information related to a work is considered as unclassified public record and could be accessible upon legal request. As such, the information and records provided should not contain confidential or sensitive information. If you want to provide sensitive or confidential information, please contact TC before submitting it.
